

MY COLOUR RECORD SHEET

Study your subject carefully and answer the questions below.

1. What colours I can see?

Use your colour charts to help describe the colours you see in your chosen subject. Colour in the boxes with paint or coloured pens and then write the colour's name on the line below the box.

The colours I can see are ...

2. My drawing

Sketch your subject in the box below in pencil. You may also like to mark on your drawing where you see different colours and shades.
